NEW RELEASES AND CLASSIC VINTAGES FOR THE EDUCATORS' PALATE

This year’s theme was selected to help educators in psychiatry to reflect on past workshops and innovations they have utilized in their academic development while incorporating new ideas and techniques. An experienced educator always appreciates past methodology while looking forward to new developments, much like wine connoisseurs.

Our keynote speaker will be Barbara Schneidman, MD. She is a clinical professor of psychiatry and behavioral sciences at the University of Washington School of Medicine and was the Vice President of Medical Education at the American Medical Association from 2002-2008. Her keynote entitled “New Wine in Old Barrels: the Changing Face of Psychiatry” reflects the theme as she addresses how psychiatry and psychiatric education has benefitted from early thought leaders, yet some early tenets should be preserved while new ideas should be entertained.

Our Plenary Session will feature Josepha Cheong, MD, facilitating an interactive presentation based on innovative and traditional methods of teaching. Drs. Robert Boland and John Spollen help highlight when and where these different teaching methodologies have the greatest impact.

This year, we received a large number of outstanding abstract submissions and the program planning committee has chosen 49 outstanding workshop topics which will focus on this year’s theme of “New Releases and Classic Vintages for the Educator’s Palate.” We have created a new session called ‘Educator’s Showcase’ to highlight innovative teaching methodologies. In addition, we have extended our program into Saturday afternoon to accommodate more workshops as well as two new boot camps: a ‘Technology Boot Camp’ and a ‘Writer’s Boot Camp.’ Marcy Verduin, MD, the annual meeting program chair and her planning committee have crafted these offerings which will provide attendees with knowledge, skills, and tools to utilize and share with peers and trainees that will advance patient care.

I look forward to seeing you in San Antonio!

John S. Luo, MD
AAP President

ACCREDITATION

This activity has been planned in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of St. Joseph’s Hospital and Medical Center and the Association for Academic Psychiatry.

St. Joseph’s Hospital and Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

A $50 CME fee applies to those claiming CME.
In continuing the AAP Annual Meeting tradition, we have arranged for the AAP hosted Night Out with a heavy sampling of regional Texas food, beer, wine and of course… margaritas! This event is a fantastic time to catch up with old friends and to get to know new ones, also a time-honored AAP tradition!

The Night Out is Thursday, September 17, 6-9pm at the Buckhorn Saloon & Texas Ranger Museum, just around the corner from the Hyatt!

This uniquely San Antonio venue will offer a fun and interactive social evening for all! Visit the Buckhorn website for more information!

HOTEL INFORMATION

Hyatt Regency
San Antonio, TX
123 Losoya Street
San Antonio, TX 78205

Make your reservation TODAY! Attendees are responsible for making their own hotel reservation: 
Online Reservations.
Questions or technical difficulty, please call 888-421-1442 (Group: AAP).

You’ll enjoy the ideal Riverwalk location, which offers great shops, restaurants and entertainment. The Hyatt is located across from the historic Alamo, definitely a must-see when visiting San Antonio!

Discounted hotel rate for meeting registrants is $189.00 (plus tax) per night based on single or double occupancy. Space is limited and reservations will be accepted on a first-come, first-served basis.

The hotel reservation cutoff is Monday, August 24, 2015; after that date, rates and space are subject to availability at the hotel. The hotel expects to sell out well in advance of August.

New For 2015

Extended Saturday Program Through 2:00 pm

- Additional Workshop Session
- Writing Boot Camp
- Technology Boot Camp

Educators’ Showcase
A series of brief presentations designed to allow educators to demonstrate novel or innovative techniques and products used in medical student or residency training. The audience can expect to see tools and procedures that can be applied to their own programs.

General Information

Historically, AAP's Annual Meeting has fostered an atmosphere that has inspired academic connections! At the start of this year’s meeting, AAP mentors will be officially recognized as wearing “mentor ribbons” signifying their commitment and openness to informal interaction with potential mentees during the Annual Meeting. Formal or more structured events sponsored by the Career Development Committee include the CV Boot Camp and Mentor-Mentee Breakfast scheduled for 7–8 am on Thursday, September 17.

The CV Boot Camp will provide 1:1 and small group discussion and a curriculum vitae review by senior level psychiatrists during breakfast. CV Boot Camp attendees should bring their CV along with specific questions for mentors. Sample resumes will also be provided.

The Mentor-Mentee Breakfast, designed for early-career faculty members and trainees, is intended to foster future collaboration and scholarly and career mentoring. Mentors will be available to discuss a variety of topics, including academic careers for clinician educators, educational research, manuscript preparation, job searches, CV building and grant funding.

Become a Mentor
We want to continue to offer opportunities for mentors and mentees to connect at the onset of the meeting. If you can serve as an AAP mentor during the meeting or if you are interested in participating in the mentor-mentee events, contact Iljie Fitzgerald, MD at iljie@ucla.edu. When pre-registering for the meeting, be sure to indicate your interest to be a mentor.

Mentors will be provided name-badge ribbons. Mentors agree to meet with mentees formally during the CV boot camp/mentor breakfast and opening session, as well as informally throughout the annual meeting.
EDUCATIONAL GOAL

As a result of attending this educational activity, participants will be able to:

- Describe teaching approaches that improve and enhance your current educational practice;
- Identify at least one new pedagogical approach to incorporate into your current teaching practice;
- Discuss strategies to effectively blend new innovations in teaching with traditional didactic approaches; and
- Identify experienced medical educators who can serve as mentors in developing an effective teaching portfolio and career.

MASTER EDUCATOR (Separate Registration)

This three-year series of educational workshops provides psychiatric educators the additional skills needed to be effective leaders in health professional education in psychiatry. If you have never attended, this is your chance to enroll in a “mini-masters” in education and develop your core knowledge and skills in essential subject areas for educators. Previous topics have included learner assessment, educational methods, program evaluation, leading through crisis, negotiations, education theory, and leading change.

This year the series will cover Learner Assessment and Educational Leadership. Returning registrants earn additional hours toward a Master Educator certificate. The series is split into two 3-hour afternoon sessions each year. Registrants are expected to attend both of the master educator sessions offered during the Annual Meeting. Enrollment is limited to 25-30. To enable completion of certificate requirements, we will reserve space for previous years’ applicants until July 10. After this date these spaces will be released and enrollment will be opened to all applicants. See the registration form for information and fees. Refer to preliminary schedule for program dates and times.

MEDIA FESTIVAL

This session features photographs, feature and instructional/documentary film clips relevant to the practice of psychiatric education or medical humanities. The presenter will lead a discussion focusing on the media’s relevance to the practice of psychiatric education. For a list of the innovative media scheduled for presentation, refer to the preliminary schedule on the following page.

DISCOVER SAN ANTONIO

In advance of your stay in San Antonio, we would like to share some cultural highlights of the city. Click on links below for information.

Riverwalk
Riverwalk Scenic Boat Tour
The Alamo
San Antonio Mission Tours
Tower of the Americas
The San Antonio Zoo & Aquarium
Sea World San Antonio
Natural Bridge Caverns
Hill Country
Visit San Antonio has even more to offer!

Our aim for the Annual Meeting is that it leaves you with a renewed sense of vitality, an enthusiasm you’ll share with the people whom each of us in academic psychiatry (from peers to pre-meds, policy-makers to patients) is honored to work.

In the hours outside the conference, we also hope you’ll enjoy things, taste things, experience things uniquely San Antonio! Coming soon to the AAP Annual Meeting website, check-out Dr. Schillerstrom’s informative blog for more local information.
